Dajjal – the one-eyed Liar – A Major sign of the day of Judgment

- One of the greatest signs of the hour is the emergence of Dajjal.
- Belief in Dajjal is a matter of unseen and it is to understand the fact that Power of Allaah knows no bounds.

- Once we verify information to be authentic, we sometimes find unexplained concepts, matters - we keep it as it is. This is part of believing in the unseen!
- Surely Allaah is able to do everything and if Allaah has confirmed something like the story of Dajjal upon the tongue of the Prophet (truthful and whose truthfulness has been attested by Allaah).
- Mahdi, Then Dajjal, then coming down of ‘Isa ibn Maryam! This is the correct sequence.
- He is a man, a real man, not half this, half that!
- He is not a concept, he is not the eye on the dollar sign, he is not TV, he is not Zionism. Between his forehead is written Kaf faa raa - every believer literate or illiterate will be able to read it!
- He is a shaytan from the men
- He is born like anyone else
- He is alive and existing in an Island, chained and will come out before the day of Judgment
- He is not Ibn Sayyad, i.e. Ibn Sayyad is not the dajjal! [Note: Ibn Sayyad was a young man in Medina and in the beginning time there was speculation that he could be dajjal! But the prophet clarified his status!]
- We don’t know when and where and to which family he was born, what his original birth name is, even if he has one or not!
- His fitnah is one of the greatest fitnah of all time. All Messengers and Prophets warned about him! Our Prophet was given the most information about him.
- There will be 30 dajjals before the day of Judgment
- He is basically a con artist; a person will bring deception and some special capabilities Allaah will give him with which he will call people to himself and will deceive them.
- He will have two flowing rivers, one that appears to the eye to be clear water, and one that appears to the eye to be flaming fire. If anyone sees that, let him go to the river which he thinks is fire and close his eyes, then lower his head and drink from it, for it is cool water. It was said about him: “The people think that he would have with him rivers of water and mountains of bread, / the people alleged that he would have a mountain load of bread and mutton and rivers of water”
- The Dajjal is one-eyed and will bring with him what resembles Hell and Paradise, and what he will call Paradise will be actually Hell;
- This is a test for believers and to separate the evil from good.
- He will be followed by people who love deception. The Dajjal would be followed by seventy thousand Jews of Isfahan wearing Persian shawls. [Sahih Muslim]
- Those who will pass this gruesome test will be anointed by Isaa ibn Maryam and their place in Jannah will be declared in their lifetime like the ashra mubash-shireen [10 who were given the glad tidings of Paradise] by our prophet.
- We should know that a group of deviant sects have denied the coming dajjal claiming that these are ahad narrations! And that is why scholars of ahl as sunnah in their teaching clarified the reality of the story of Dajjal.
- The true way to seek protection of Dajjal is to learn the religion, practice it, seek refuge from Dajjal (learning the duas of the prophet), reciting the first 10 verses of Sura Al Kahf.
